

420 - MATTRESS CLEANER

TECHNICAL DATA SHEET | NORDICARE

Textile care

MATTRESS CLEANER is a spray cleaner for mattresses, developed to clean biological spots and marks and leave the mattress fresh and clean. The product also helps degrade the basis for house dust mites, which are considered to be allergy promoters.

Key Benefits

- Cleans biological spots and visible marks on mattresses.
- Helps leave the mattress fresh, clean and ready for regular use.
- Helps degrade the basis for house dust mites.
- Spray-on application followed by drying and vacuuming.
- Suitable for repeat treatment on stubborn spots.

Application area

For mattresses and textile sleeping surfaces that tolerate moisture. Especially suitable for targeted treatment of stains and marks. Always test on a small, inconspicuous area before full application and do not over-wet sensitive materials.

Instructions

Vacuum the mattress thoroughly before treatment. Spray MATTRESS CLEANER onto the mattress until the surface is moist, especially on stains and marks. Allow the surface to dry completely, then vacuum again. Repeat the treatment on stubborn spots if necessary.

Conditioning

500 ml (12 units/box)
