

711 - REFRIGERATOR CLEANER

TECHNICAL DATA SHEET | NORDICARE

Household care

NORDICARE REFRIGERATOR CLEANER is a water-based cleaning product for refrigerators and freezers. It is intended for regular cleaning of interior and exterior surfaces where a neutral, ready-to-use household cleaner is preferred. The product helps remove everyday dirt, spill residues and handling marks, leaving appliance surfaces clean and fresh.

Key Benefits

- Cleans and cares for leather in one gentle treatment.
- Helps reduce the dry and tired appearance of leather surfaces.
- Supports a softer, more supple surface feel after cleaning.
- Suitable as the cleaning step before applying leather conditioner or cream.
- Simple wipe-on application for regular leather care

Application area

For cleaning refrigerators, freezers and similar household appliance surfaces that tolerate water. Suitable for regular removal of everyday dirt, spill residues and handling marks. Do not use on surfaces that are not water-resistant or where the appliance manufacturer advises against water-based cleaning. Always test on a small, inconspicuous area before full application.

Instructions

Remove food items and loose dirt before cleaning. Apply REFRIGERATOR CLEANER to a soft cloth or directly to the surface according to the approved label, then wipe the surface evenly. For areas that may come into contact with food, wipe again with a clean damp cloth to remove residues and dry the surface before returning food items. For freezers, defrost if required by the appliance instructions before cleaning. Do not spray directly onto electrical parts, ventilation openings or controls, and use only as described on the approved product label.

Conditioning

500 ml (20 units/box)

Document control

Document no.: TDS-711

Product: Refrigerator Cleaner

Version: 01

Revision date: 06.08.2026

Prepared by: Technical Department

Declaration

Contains: Water, propan-2-ol, <5% cationic surfactants, <5% non-ionic surfactants, perfume and preservatives.

Safety information

Keep out of reach of children.
